

All women should be able to live free of poverty and disadvantage so that they can participate in the career and life of their choice.

Tradeswomen Australia Community Foundation are running a series of free workshops to support vulnerable women in Wyndham into Trades jobs and further relevant training.

Participants will:

- See a variety of roles in Trades and meet the women that occupy them.
- Develop supportive relationships with peers and a mentor.
- Be connected to training and job opportunities within the Trade industry.
